

Online. Anytime.

myWakeHealth.org

Our myWakeHealth patient portal is a free, simple and secure way to help you better access the information you need to manage your care. You can:

- Send a message to your doctor's office
- Schedule and manage your appointments
- Request prescription renewals
- Pay your bill
- View your doctor's notes from clinic visits
- View and update medications, allergies and more
- View imaging and test results, visit summaries and discharge instructions
- Search the health library
- Link your family's records

The myWakeHealth portal is safe from unauthorized access. It's password-protected and encrypted.

Need an account?

Here are three simple ways you can join:

- Use your myWakeHealth enrollment email invitation.
- Go to **myWakeHealth.org** to activate your account online.
- Use the access code from your After Visit Summary or billing statement.

If you want to sign up in person at any of our clinics, simply ask our staff to help you.

Need to view your minor child's record?

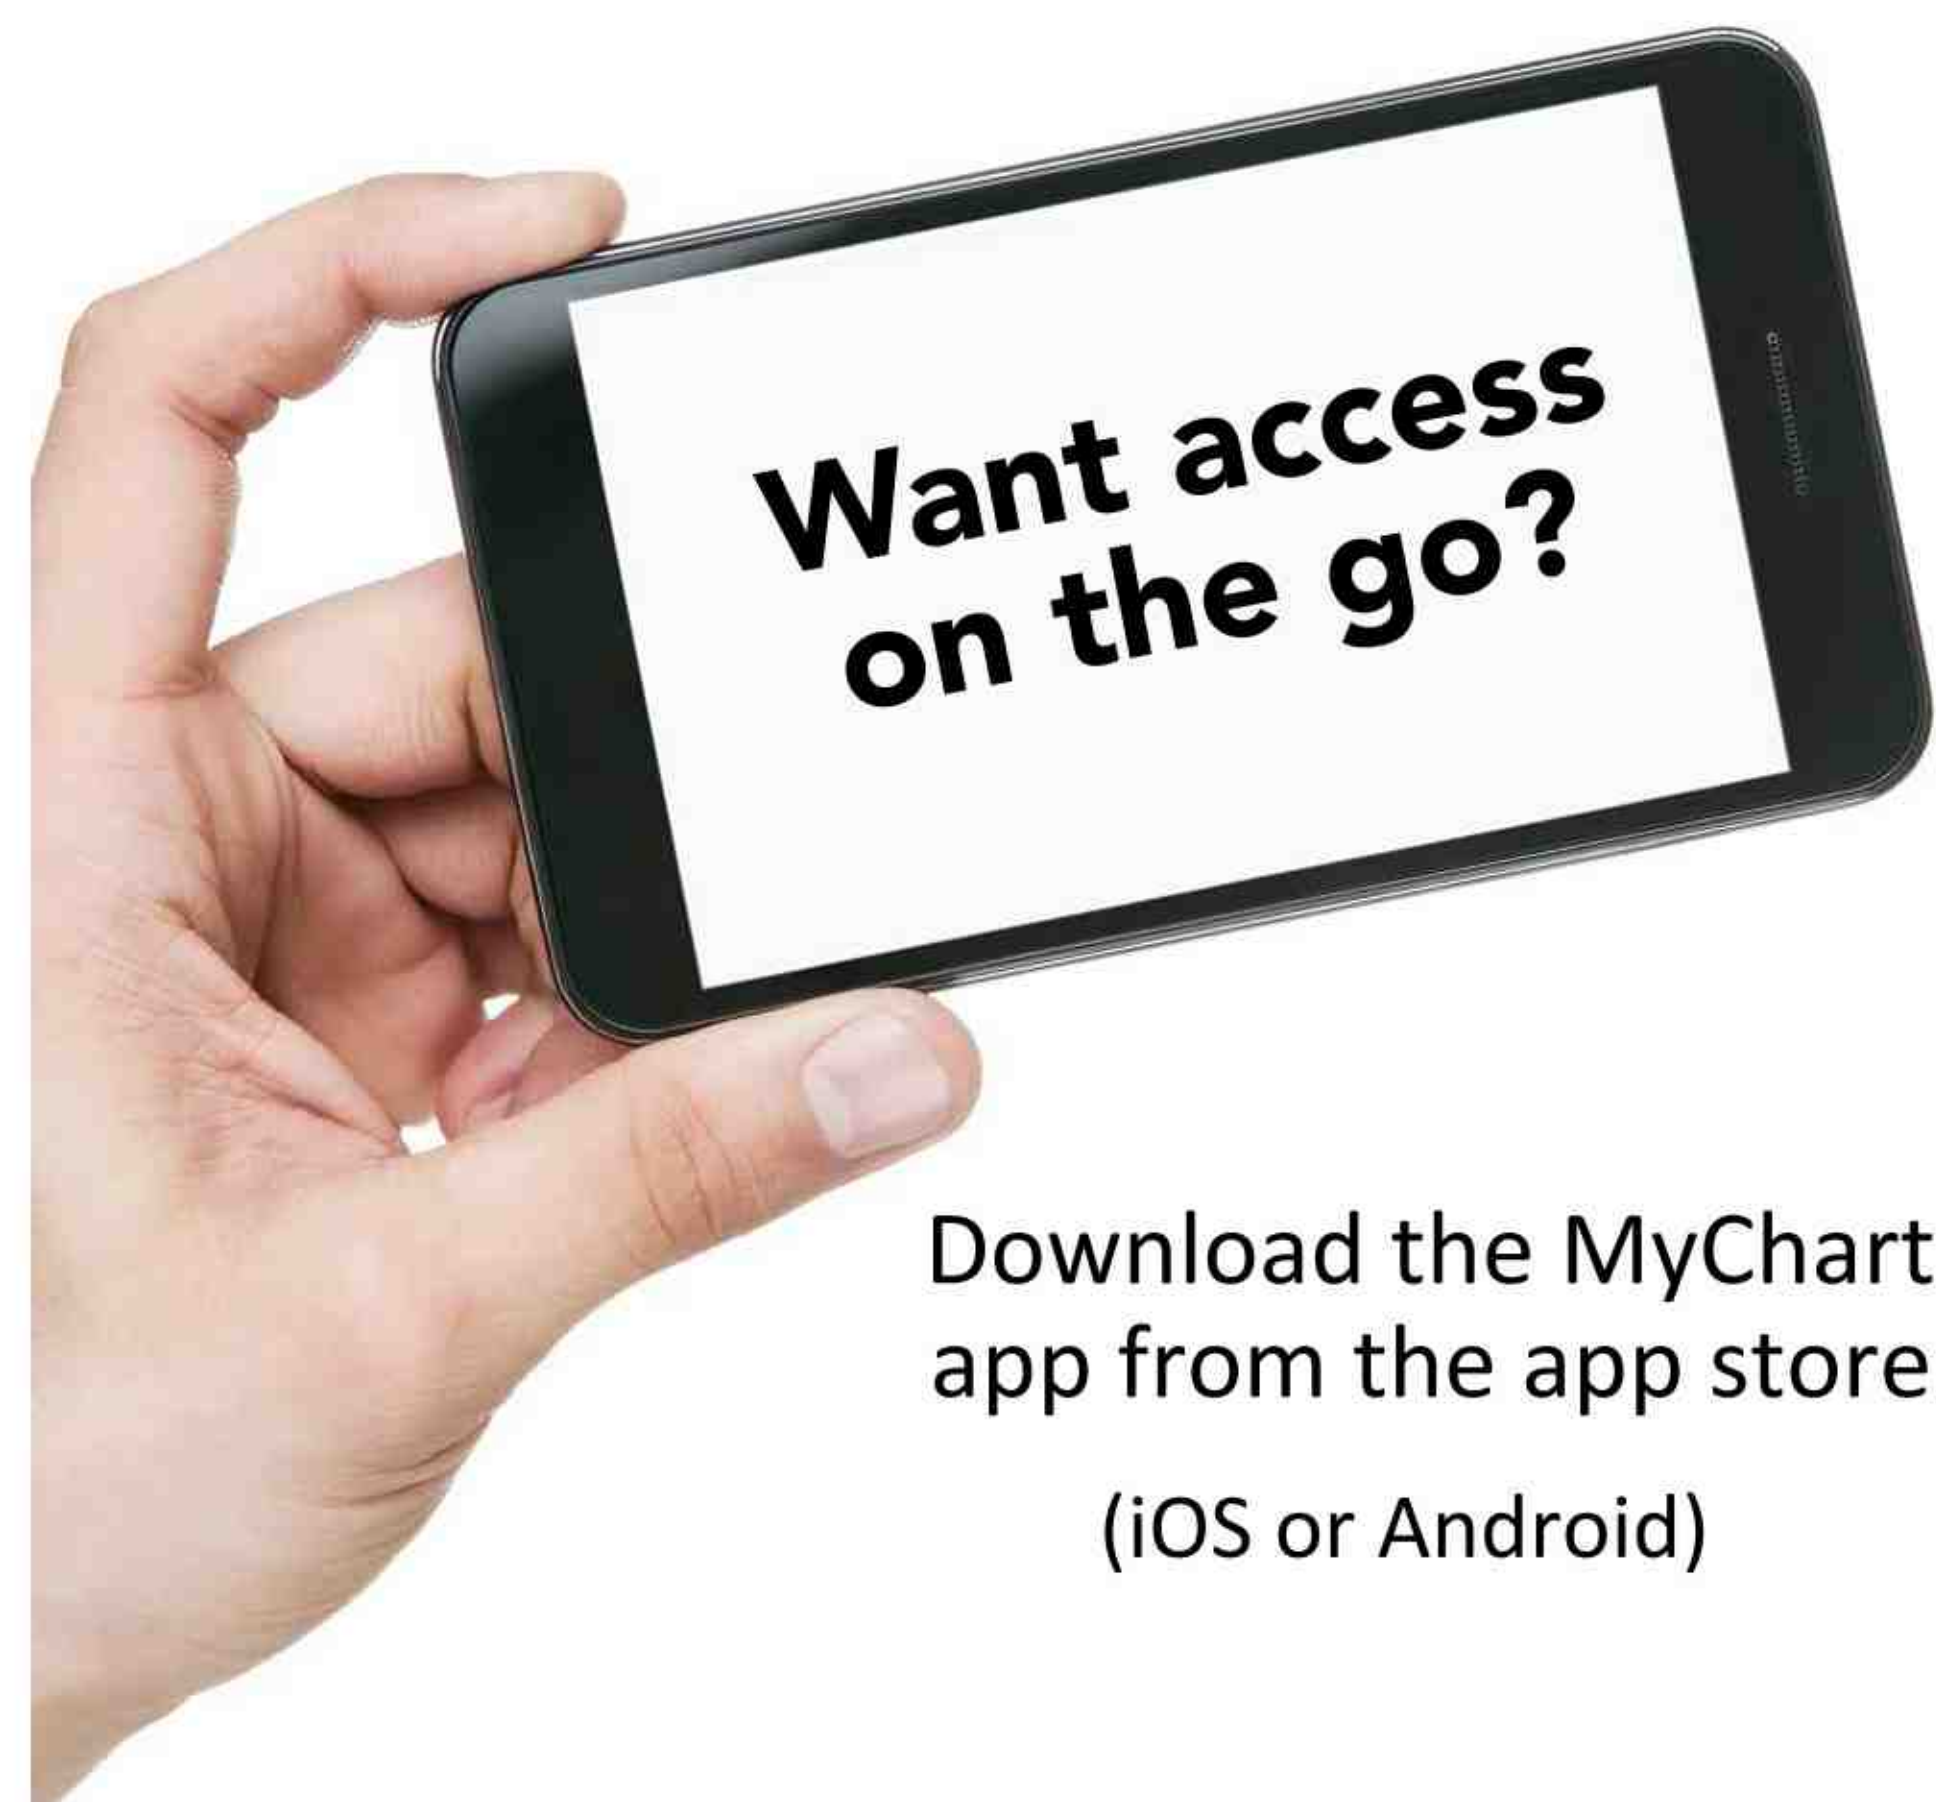

Proxy access is available for parents/guardians of minor patients. Please ask a member of your child's health care team for assistance.
